**Subject:** RI Doula Bill

Hello House Finance Committee,

I am writing the House Finance committee members about the RI Doula Bill. I encourage you all to vote to send the bill to the floor with recommendation of passage of the bill.

Mother's Day is around the corner and mother of all backgrounds need more support here in RI. Doulas are proven to show higher rates of survival of patients in labor, especially those of color.

Please vote to support this bill.

Thank you,

Juliet Kotyk
